Subject: Telehealth Committee Update

The Telehealth Committee held its latest meeting on March 26, 2021. The purpose of the Committee is to determine if any of the Board's statutes and regulations related to the practice of telehealth by Board licensees, registrants, and trainees need to be updated or clarified.

During the meeting the Committee members and stakeholders discussed the Board's telehealth statutes for associates and trainees, the allowance of supervision via videoconferencing for pre-licensees, and allowable telehealth settings for associates and trainees. Additionally, the Committee compared the laws of several other states that pertain to temporary practice across state lines.

The next meeting of the Telehealth Committee is June 25, 2021.
