## BOARD STATISTICS

### Licensing Program Applications Received

Overall, licensing application received volumes decreased by 16% in the second quarter of FY 2020/2021. The Board did recognize an uncharacteristic increase in the examination applications for LMFT (54%), LCSW (37%) and LEP (217%). This increase may be attributed to the desire of applicants to pay under the old fee structure. Applications received on or after January 1, 2021 are required to pay the new increased fees.

### **Examination Development**

The Office Professional Examination Services (OPES) will be initiating work on the occupational analysis (OA) for the LCSW profession. The purpose of the OA is to identify the important tasks performed by currently practicing LCSWs. This will aid in

the development of the Board's LCSW Law & Ethics examination. OPES will be asking LCSWs to complete a questionnaire through SurveyMonkey. The deadline for completing the questionnaire will be March 28, 2021.

Seven examination development workshops were conducted from October 1 through December 31, 2020.

## **ENFORCEMENT PROGRAM**

During the second quarter, the Enforcement staff received 518 consumer complaints and 335 criminal convictions. A total of 556 cases were closed and 34 cases were referred to the Attorney General's office for formal discipline. As of December 31, 2020, there were 123 cases pending at the Attorney General's Office. A total of 16 Accusations and 6 Statement of Issues were filed this quarter. The number of final citations for the second quarter was 13.

There was a total of 27 Final Disciplinary Orders. The average number of days to complete Formal Discipline in the second quarter was 389 days. This statistic is measured by the average number of days to complete the Enforcement process for cases investigated and transmitted to the AG's Office for formal discipline within the reference period. The DCA Performance Measure to complete Formal Discipline is 540 days.

The average number of days the case is with the Attorney General's Office in the second quarter was 297. This statistic is measured from the date the Board refers the matter to the Attorney General's to the date the case is complete. The average number of days to complete all Board investigations in the second quarter was 32 days.

**Website Update**

A new tab was added to the Board’s website home screen entitled “Update/FAQs”. This was done to centralize and create an easier pathway the Frequently Asked Questions (FAQ) documents and other important updates. The Updates section contain recent law changes, newsletters and information about upcoming law change. The FAQs are categorized into the following topics: associate, exams, criminal conviction and Breeze helpful hints. Recently a Breeze Helpful Hints section was added that has information about creating a Breeze account and using Breeze to change an address or email.

**COVID-19 RESPONSE**

In response to the widespread transmission of COVID-19 that California was experiencing in December the California Department of Public Health issued a stay at

home order and directed all state offices to close to the public. To comply, the Board's front counter was closed from December 7, 2020 until February 1, 2021. In order to lessen the risk of transmission, Board staff continue to work remotely if their duties are conducive to telecommuting. The Board has also established a rotation schedule to allow staff to pick up on drop off work. This has allowed the Board to maintain operations with approximately 70% of staff hours performed through telecommuting.

### **Waivers**

The Board has worked on six waiver requests with the Department; four of which were directly requested by the Board. All four requests submitted by the Board were approved. Staff continues to update waiver information on the website to ensure applicants and licensees have a clear understanding of each waiver.

#### **Law & Ethics Exam Waiver for Subsequent Registration Number (Extended)**

This waives the requirement that Associate Marriage and Family Therapists (AMFTs), Associate Clinical Social Workers (ASWs), and Associate Professional Clinical Counselors (APCCs) must pass the California Law and Ethics Examination before a subsequent registration number is issued. The waiver applies to all associates who are in their last year of renewal, if that renewal expires between **March 31, 2020 and February 28, 2021**. The California Law and Ethics Exam will still need to be passed at the by the next renewal date.

#### **Face-to-Face Training and Supervision Requirements (Extended)**

This waives the component of the law that only permits AMFTs, ASWs, and APCCs to obtain their required weekly direct supervisor contact via videoconferencing if they are working in an exempt setting. (An exempt setting is defined as a government entity, a school, college or university, or an institution that is both nonprofit and charitable.) It also waives BPC sections 4980.36(d)(1)(B)(ii) and (d)(1)(B)(vi)(II) for MFT trainees, and 4999.33(c)(3)(K) for PCC trainees, that specifically requires provision of "face-to-face" mental health services in order to complete required practicum hours. This waiver was extended and is now effective from the beginning of the social distancing order in **March 2020 until February 28, 2021**.

#### **Waiver Extending Eligibility Period to Retake Examinations for Marriage and Family Therapist, Educational Psychologist, Clinical Social Worker, and Professional Clinical Counselor Applicants (Extended)**

This waiver extends examination eligibility for LMFT, LEP, LCSW, and LPCC applicants that failed to take or retake a required examination, and whose one-year eligibility to take or re-take the examination expired between **March 31, 2020 and April 2, 2021**. Instead of having one year to take or retake the examination, these individuals will instead have 20 months to take or retake the examination. For individuals who have not taken the required exam yet, the 20-month timeframe starts on the date the applicant was notified of initial eligibility to take the examination. For individuals who need to retake a required exam, the 20-month timeframe starts on the date the applicant most recently participated in the exam.

### **Practicum Enrollment Requirement Waiver for MFT Trainees**

Under current law, marriage and family therapist trainees (MFT trainees) are permitted to gain experience hours outside of practicum, but they must be enrolled in a practicum course to counsel clients. However, the law permits MFT trainees to counsel clients while not enrolled in practicum if the period of lapsed enrollment is less than 90 calendar days, and if that period is immediately preceded by enrollment in a practicum course and immediately followed by enrollment in a practicum course or completion of the degree program. **The Director has issued a law waiver that extends the lapsed enrollment period from 90 days to 180 days.** The waiver applies to trainees who were last enrolled in a practicum course between March 31, 2020 and December 31, 2020. These trainees are permitted to counsel clients while not enrolled in practicum if the period of lapsed enrollment is less than 180 calendar days, and if that period is immediately preceded by enrollment in a practicum course and immediately followed by enrollment in a practicum course or completion of the degree program.

### **Licensing Renewal Requirements (Extended)**

This waiver allows that registrants (associate marriage and family therapists, associate clinical social workers, and associate professional clinical counselors) whose registrations expire between **March 31, 2020 and February 28, 2021** do not need to attempt the California Law and Ethics Examination in order to renew their registration. It also allows that Board licensees who are set to renew between **March 31, 2020 and February 28, 2021** do not need to complete continuing education in order to renew their license.

### **Waiver of Laws Requiring Individuals Reactivating or Restoring a Retired, Inactive, or Cancelled License to Complete Continuing Education and Pay a Renewal or Delinquency Fee (Extended)**

This waiver permits an individual with a retired, inactive, or cancelled license who wishes to restore their license in order to help with the current State of Emergency to do so during this time without being subject to the normally required continuing education requirements and renewal and delinquency fees. This only applies to individuals whose license has been retired, inactive, or cancelled for no more than 5 years. A license reactivated or restored pursuant to these waivers is valid until **July 1, 2021**, or when the State of Emergency ceases to exist, whichever is sooner.
