BBS EXAM VENDOR CHANGE

Effective January 1, 2020, examinations administered through the current test vendor PSI will no longer be offered as the Board has entered into a new contract with the test vendor Pearson VUE.

How will this affect you?

For the most part there will be very little disruption or change. For those who currently have examination eligibility we anticipate you will be able to register with Pearson VUE December 20th. Pearson VUE has multiple test center locations which may be accessed by visiting their website. The application process remains the same, please visit the Board's website to obtain applications for examination.

Testing Accommodations

LPCC clinical candidates along with all ESL accommodation candidates will continue to apply for Testing Accommodations through the Board. All other exam candidates who require testing accommodations will need to apply for accommodations directly through Pearson VUE. For general information on procedures for testing accommodations check here:

Key Dates

These dates may be subject to change.

December: Candidates will be able to schedule exams with Pearson VUE, anticipated date 12/20/19.

January: Testing will begin at Pearson VUE.
