

Continuing Education Providers

Due to changes in Continuing Education provider regulations on 7/1/15, as of 7/1/17 the BBS no longer has a list of approved continuing education providers.

Going forward licensees will need to confirm the provider they choose meets the requirements of Section 1887.4 of the Business & Professions Code. A link to the statutes and regulation book is available on the home page of the BBS website under Quick Hits.

The following is a list of the Board recognized approval agencies for your convenience:

National Association of Social Workers (NASW)
Association of Social Work Boards (ASWB)
National Board for Certified Counselors (NBCC)
National Association of School Psychologists (NASP)
American Psychological Association (APA)
California Association of Marriage and Family Therapists (CAMFT)
California Psychological Association (CPA)

The BBS cannot confirm if a provider's approval through an approval agency is valid or not. Please refer to the approval agency listed to confirm if the approval is valid.
