IMPORTANT INFORMATION

LAWS RELATING TO RETIRED LICENSES

California Business and Professions Code (BPC) sections 4984.41, 4984.41, 4989.45, 4997.1 and 4999.113 authorize the Board to issue retired licenses and set forth related requirements.

REACTIVATION OF A RETIRED LICENSE

A retired license can ONLY be reactivated in the following circumstances:

- **Retired licenses issued *on or before* December 31, 2013 – Can only be reactivated within five (5) years from the date the retired license was issued.**
- **Retired licenses issued *after* December 31, 2013 – Can only be reactivated within three (3) years from the date the retired license was issued.**

If a retired license is no longer eligible to be reactivated and the holder wishes to obtain an active license, he or she must apply for licensure as if applying for the first time, meet all current requirements, and pass the licensing examinations. If a retired license IS eligible to be reactivated, the holder may do so by meeting the fingerprint and continuing education requirements, submitting the “Retired to Active License Status Change” form, and paying the appropriate fee.

“INACTIVE STATUS” IS AN ALTERNATIVE OPTION

There is no penalty for having an inactive status, and you can renew with an inactive status indefinitely. Continuing education (CE) is not required to renew an inactive license or to change license status to inactive. An inactive license can be reactivated at any time by completing the CE required at the time of reactivation and paying the remainder of the renewal fee. More information is available on the Board’s website.

PLEASE BE AWARE

- A holder of a retired license is not required to renew that license.
- A licensee is not entitled to payment by a client or an insurer for services performed while license is expired, inactive or retired.
- A licensee may not supervise or sign off hours for associate marriage and family therapists, associate clinical social workers, or associate professional clinical counselors while the license is expired, inactive or retired.

DISCLOSURE OF TAXPAYER ID NUMBER

You may provide either your Social Security Number, your Federal Employer ID Number, or Individual Taxpayer ID Number, as applicable. Section 30 of the BPC and Public Law 94-455 (42 USCA 405(c)(2)(c)) authorizes collection of these tax ID numbers. Your tax ID number will not be deemed a public record and shall not be open to the public. Your tax ID number will be used exclusively for tax enforcement purposes, for purposes of compliance with any judgment or order for family support in accordance with section 17520 of the Family Code, or for verification of licensure or examination status by a licensing or examination entity which utilizes a national examination and where licensure is reciprocal with the requesting state. If you fail to disclose your tax ID number, your application will not be processed AND you will be reported to the Franchise Tax Board, which may assess a \$100 penalty against you.

STATE TAX OBLIGATION – EFFECTIVE JULY 1, 2012

Pursuant to Business and Professions Code section 31(e), the State Board of Equalization and the Franchise Tax Board may share taxpayer information with a board. A licensee must pay his or her state tax obligation and his or her license may be suspended if the state tax obligation is not paid.
