

## **INFORMATION REGARDING PASSING SCORES FOR THE ASWB CLINICAL EXAM**

Effective January 1, 2016 the Association of Social Work Boards (ASWB) Clinical exam will be required towards approval for LCSW licensure. If you have already taken and passed the ASWB Clinical exam for another licensing jurisdiction, the Board may accept your passing score accordingly:

- You must provide the Board official proof to verify your passing score in an envelope sealed by ASWB;
- If you do not currently hold a license in another state, your passing score must be less than seven (7) years old;
- If you currently hold a license in another state and the license is in good standing, a passing score of any age will be accepted.

At this time the Board will accept documents from ASWB verifying your official test results; however, the Board will not review such documents until after January 1, 2016.
