PART I

EARNING A MASTER OF SOCIAL WORK DEGREE

Earning a Master of Social Work (MSW) degree from an accredited school of social work is your first step toward becoming a Licensed Clinical Social Worker (LCSW) in California. There is more to come, however, and this handbook from the Board of Behavioral Sciences (BBS) will guide you through the process.

Accepting your degree

For the BBS to accept your degree, it must be earned at an accredited school of social work. You can verify your school's accreditation on the BBS Web site, www.bbs.ca.gov/app-reg/lcs_schools.shtml.

Completing pre-licensure coursework

The BBS requires you to complete certain additional coursework before applying to take the LCSW exams. You can complete this coursework as part of your MSW degree or afterward, while you are earning the required hours of supervised work experience.

TIP: You can find a list of specific courses that meet these requirements on the BBS Web site. Go to www.bbs.ca.gov/app-reg/lcs_schools.shtml, find your school, and select “Additional Courses Required.”

The requirements are:

- Child Abuse Assessment and Reporting - seven hours.
- Human Sexuality - 10 hours.
- Substance Abuse and Dependency - 15 hours.
- Spousal/Partner Abuse Assessment, Detection, and Intervention - 15 hours.
- Aging and Long-Term Care - 10 hours.

NOTE: Spousal/Partner Abuse Assessment, Detection, and Intervention hours can be any amount if you began your degree program before January 1, 2004.

NOTE: Aging and Long-Term Care coursework is not required if you began your degree program before January 1, 2004.

TIP: Keep the course description and/or syllabus for any course you took that you believe fulfilled the requirements. The BBS may need the materials to verify the course content.

You can take these required courses from:

- State, county, or other government entities.
- Accredited colleges or universities.
- BBS-approved continuing education providers (A list of BBS-approved continuing education providers is on the BBS Web site at www.bbs.ca.gov/forms.shtml.)

PART II

BECOMING AN ASSOCIATE CLINICAL SOCIAL WORKER (ASW)

After graduation, you will need to apply to become an Associate Clinical Social Worker (ASW) before you can begin accumulating your required pre-licensure supervised work experience hours. An ASW application packet can be downloaded from the “Forms and Publications” section of the BBS Web site (www.bbs.ca.gov/forms.shtml.)

Before submitting the completed ASW application packet, be sure it contains the following:

- The completed one-page application.
- A check or money order for \$75.
- A copy of your official transcripts in your school’s sealed envelope. (Make sure the school includes the date it conferred your degree.)
- A completed Live Scan form. (Keep a copy for your records.)

Important reminder

You cannot begin accruing hours toward licensure until the BBS issues you an ASW registration number. Once issued, your ASW number will be posted on the BBS Web site. Seven to 10 business days later, you should receive a packet in the mail with a letter, forms, and your ASW registration certificate. Pay attention to the letter; it will note any coursework you may need to complete.

TIP: Find out if you have been issued an ASW registration number by looking up your name on the BBS Web site. Go to: www.bbs.ca.gov/quick_links/weblookup.shtml.

PART III

GAINING QUALIFYING EXPERIENCE

Once you are registered as an ASW, you can begin accruing the required hours of experience to qualify for the licensing examinations. You will need 104 weeks of supervision and 3,200 hours of supervised work experience.

Some tips to simplify the process:

- Always renew your ASW registration number on time. Submit your renewal fee at least six weeks before the expiration date to ensure your registration does not expire. Hours earned under an expired ASW registration will not count.
- Keep track of your supervision documents, including Responsibility Statements, Supervisory Plans, and Clinical Social Work Experience Verification forms. Be sure all forms are completed and signed. You will need to submit the forms with original signatures when you apply for examination eligibility.
- Meet with your supervisor every week for at least one hour of individual supervision or two hours of group supervision. Your work experience in a given week will not count unless you meet this requirement.
- Review the LCSW Breakdown of Required Experience on page seven so you will know which areas to focus on.

- Use the BBS Experience Calculator to determine how close you are to finishing your hours of work experience. You can access the calculator on the BBS Web site (www.bbs.ca.gov/app-reg/exp_calc.shtml).
- Familiarize yourself with the definition of psychotherapy as it relates to clinical social work. This is defined in Business and Professions Code Section 4996.9 and in the glossary of this handbook.

Starting January 1, 2010, ASWs working in a governmental entity, school, college/university, or an institution that is both nonprofit and charitable may obtain all supervision via video conferencing.

Remember the six-year rule

All work experience must be accrued no more than six years before the date the BBS receives your application for examination eligibility. For example, if the BBS received your application on April 3, 2012, only the experience gained between April 3, 2006, and April 3, 2012, would count.

APPLYING TO TAKE THE EXAMS

After you complete your work experience and additional coursework, you may apply to take the examinations. You will need to pass the Standard Written Examination and the Written Clinical Vignette Examination before you are eligible to receive your license.

All examination related items are on the BBS Web site (www.bbs.ca.gov/forms.shtml).

The BBS will notify you by mail once your application is approved. Approximately two weeks later, you will receive the LCSW Standard Written Examination Candidate Handbook in the mail. Your deadline for taking the exam will be printed on the back of the handbook. The LCSW Standard Written Examination Candidate Handbook and the LCSW Clinical Vignette Candidate Handbook are also available on the BBS Web site (www.bbs.ca.gov/forms.shtml).

TIP: Need help studying for the LCSW licensing examinations? Visit the “Forms and Publications” Web page at www.bbs.ca.gov/forms.shtml to access the *LCSW Examination Study Guide*.

TIP: If you continue to work, even as a volunteer, during the examination process, you must be supervised. You cannot practice independently unless you are licensed by the BBS.

If you do not pass an exam:

You will have up to a year to retake any examination you do not pass. To retake an exam, you must submit an LCSW Examination/Re-Examination form, along with the \$100 fee. You must wait 6 months to retake an exam.

TIP: Keep track of your deadline for taking or retaking the examination. If you miss the deadline, you will have to apply for examination eligibility and pay the fee again.

If you pass the Standard Written Examination:

You may apply to take the LCSW Written Clinical Vignette Examination. Submit the LCSW Examination/Re-Examination form with the \$100 fee.

If you pass the Written Clinical Vignette Examination:

Personnel at the test site will give you an application for your LCSW initial license. Complete the application and mail it to the BBS with your fee. (See your Written Clinical Vignette Examination Candidate Handbook for the specific fee amount.)

Congratulations!

Your license number will be posted on the BBS Web site before you receive your certificates in the mail. To find out if a license has been issued, check the BBS Web site at www.bbs.ca.gov/quick_links/weblookup. The BBS will mail you an engraved wall license along with your smaller license certificate shortly after license issuance.

TIP: Now that you're an LCSW, be sure to read the *BBS News* and visit the BBS Web site regularly to stay up-to-date on continuing education requirements and other important topics. You should also sign up for the BBS' free e-mail subscriber list to ensure you are kept up to date (www.bbs.ca.gov/quick_links/subscribe.shtml).
