INTERNET SCHEDULING

You may schedule your test by completing the online Test Registration Form. The Test Registration Form is available at PSI’s website, www.psiexams.com. You may schedule for a test via the Internet 24 hours a day.

1. Complete the registration form online and submit your information to PSI via the Internet.
2. Upon completion of the online registration form, you will be given the available dates for scheduling your test. You will need to choose a date to complete your registration.
4. Upon successful registration, you will receive a traceable confirmation number.

TELEPHONE SCHEDULING

PSI has two scheduling methods available if you wish to schedule by telephone. First, call PSI at (877) 392-6422, 24 hours a day and schedule using the Automated Registration System. Second, if you wish to contact a live operator, use this same telephone number to contact PSI registrars Monday through Friday between 4:30 am and 7:00 pm and Saturday, between 8:00 am and 2:00 pm, Pacific Time, to schedule your appointment for the test. Scheduling services are also available via our Telecommunications Device for the Deaf (TDD) by calling 800.735.2929.

CANCELING AN EXAMINATION APPOINTMENT

You may cancel and reschedule an examination appointment without forfeiting your fee if your cancellation notice is received two (2) days prior to the scheduled examination date. For example, for a 9:00 a.m. Monday appointment, the cancellation notice would need to be received before 9:00 a.m. on the previous Saturday. You may call PSI at (877) 392-6422. Please note that you may also use the automated system, using a touch-tone phone, 24 hours a day in order to cancel and reschedule your appointment.

Note: A voice mail message is not an acceptable form of cancellation. Please use the internet, automated telephone system, or call PSI and speak to a Customer Service Representative.

MISSED APPOINTMENT OR LATE CANCELLATION

If you miss your appointment, you will not be able to take the examination as scheduled, further you will forfeit your examination fee, if:

- You do not cancel your appointment 2 days before the scheduled examination date;
- You do not appear for your examination appointment;
- You arrive after examination start time;
- You do not present proper identification when you arrive for the examination.
RE-EXAMINATION

Candidates who fail are eligible to re-take this examination. A Request for Re-examination form will be provided with the score report at the test center, or online at www.bbs.ca.gov.

To apply for re-examination, candidates must complete the form and submit it to the BBS with the correct fee. A notice confirming your eligibility for re-examination will be sent approximately 90 days from the date of the examination. Candidates are permitted to take the examination up to four times within the one year eligibility period.

CANDIDATES MUST TAKE AND PASS THE EXAMINATION WITHIN ONE YEAR OF BEING NOTIFIED OF ELIGIBILITY.

EXAMINATION SITE CLOSING FOR AN EMERGENCY

In the event that severe weather or another emergency forces the closure of an examination site on a scheduled examination date, your examination will be rescheduled. PSI personnel will attempt to contact you in this situation. However, you may check the status of your examination schedule by calling (877) 392-6422. Every effort will be made to reschedule your examination at a convenient time as soon as possible. You will not be penalized. You will be rescheduled at no additional charge.

SPECIAL ACCOMMODATIONS AVAILABLE

All examination sites are physically accessible to individuals with disabilities. Scheduling services are also available via our Telecommunications Device for the Deaf (TDD) by calling 800.735.2929.

The Board and PSI recognize their responsibilities under the Federal Americans with Disabilities Act and the California Fair Employment and Housing Act by providing testing accommodations or auxiliary aids or services for candidates who substantiate the need due to a physical or mental disability or qualified medical condition.

Accommodations will not be provided at the examination site unless prior approval by the BBS has been granted. Reasonable, appropriate, and effective accommodations may be requested by submitting a “Request for Accommodation” package. This package is available by contacting the BBS or online at www.bbs.ca.gov/exams/testing accommodations.

Requests for accommodation must be received a minimum of 90 days prior to the desired test date to allow for processing. Accommodations that fundamentally alter the measurement of the skills or knowledge the examinations are intended to test will not be granted.

REPORTING TO THE EXAMINATION SITE

On the day of the examination, you must arrive at least 30 minutes prior to your scheduled appointment time. This allows time for check-in and identification verification and provides time to familiarize yourself with the examination process. If you arrive late, you may not be admitted to the examination site and you may forfeit your examination registration fee. Even though candidates will be thumb printed, you are still required to comply with any identification requirements established by the appropriate regulatory entity.

REQUIRED IDENTIFICATION AT EXAMINATION SITE

You must provide one of the following valid forms of government-issued identification before you may examine:

- A photographic Driver’s License (any state)
- State identification card (any state)
- U.S. military identification
- Valid passport - any country (valid foreign passport with valid record of arrival/departure - Form I-94 or processed for I-551 stamped in a valid foreign passport)

All photographs must be recognizable as the person to whom the identification card was issued. The name on the application must match the photographic I.D. card. If you have recently changed your name with the BBS, you may want to contact PSI to verify that they have the correct same name on file.

If you cannot provide the required identification, you must call (877) 392-6422 at least 3 weeks prior to your scheduled appointment to arrange a way to meet this security requirement. Failure to provide all of the required identification at the time of the examination without notifying PSI is considered a missed appointment, and you will not be able to take the examination.

CALIFORNIA LAW SECURITY PROCEDURES

Section 123 of the California Business and Professions Code states: It is a misdemeanor for any person to engage in any conduct which subverts or attempts to subvert any licensing examination or the administration of an examination, including, but not limited to:

- Conduct which violates the security of the examination materials;
- Removing from the examination room any examination materials without authorization;
- The unauthorized reproduction by any means of any portion of the actual licensing examination;
- Aiding by any means the unauthorized reproduction of any portion of the licensing examination;
- Paying or using professional or paid examination-takers for the purpose of reconstructing any portion of the licensing examination;
3. There are timing mechanisms available at the test site and on the computer console to help candidates keep track of time during the test administration. Watches or other timekeeping devices are not permitted in the examination rooms.

4. Only one candidate will be allowed to take a restroom break at a time. Candidates are required to sign out when you leave the room and when you return. If a candidate’s restroom break takes longer than five (5) minutes, a proctor will check on the candidate and will notify the applicable regulatory entity of the occurrence, which will take appropriate action.

5. The following items are not permitted in the examination rooms:

- Cellular telephones, personal digital assistants (PDAs), recording devices, cameras, pagers, purses, notebooks, notebook computers, reference or readings material, music players, radios, electronic games, calculators, or briefcases.

- Personal items including watches, backpacks, wallets, pens, pencils, or other writing devices, food, drinks (unless prior approval is obtained by your regulatory entity) and good-luck items.

- Hats, baseball caps, or visors (with the exception of religious apparel), coats, shawls, hooded clothing, heavy jackets or overcoats.

During the check-in process, all candidates will be asked if they possess any of the prohibited items and all candidates will be asked to empty their pockets. If prohibited items are found during check-in, candidates shall return these items to their vehicle or other place of safekeeping. Neither PSI, nor the Department of Consumer Affairs, shall be responsible for the items. Any candidate possessing the prohibited items in the examination room shall have his or her test results invalidated, and PSI shall notify the appropriate regulatory entity of the occurrence.

6. Copying or communicating examination content is a violation of PSI security policy and existing law. Either one shall result in the disqualification or invalidation of examination results, the denial of your license, and may subject the candidate to criminal prosecution.

7. If you are asked by a proctor to step into the lobby during your examination, the proctor will suspend your examination and you will not lose any remaining test time.

**TAKING THE EXAMINATION BY COMPUTER**

Taking the PSI examination by computer is simple. You do not need any computer experience or typing skills. You will use fewer keys than you use on a touch-tone telephone. All response keys are colored and have prominent characters. An illustration of the special keyboard is shown here.
IDENTIFICATION SCREEN

You will be directed to a semi-private testing station to take the examination. When you are seated at the testing station, you will be prompted to confirm your name, identification number, and the examination for which you are registered.

TUTORIAL

Before you start your examination, an introductory tutorial to the computer and keyboard is provided on the computer screen. The time you spend on this tutorial, up to 15 minutes, DOES NOT count as part of your examination time. Sample questions are included as part of the tutorial so that you may practice using the keys, answering questions, and reviewing your answers.

One question appears on the screen at a time. During the examination, minutes remaining will be displayed at the top of the screen and updated as you record your answers.

EXAMINATION QUESTION EXAMPLE

During the examination, you should press 1, 2, 3, or 4 to select your answer. You should then press “ENTER” to record your answer and move on to the next question. A sample question display follows:

EXAMINATION RESULTS

At the end of your test, a pass or fail result will be shown on the screen and you will receive a printed score report. Your test results are confidential and are released only to you and your state licensing agency. To protect your privacy and to maintain the confidentiality of the test results, score information is not given over the telephone.

FAILING SCORE REPORTS

The score report will indicate the candidate’s overall score and grade, including the number of items answered correctly. It also reveals how the candidate performed on each major section of the test as defined by the LPCC Examination Plan. The number correct in each content area is displayed. The primary purpose in providing a subscore for each part of the examination is to guide candidates in areas requiring additional preparation for re-testing.

ABANDONMENT OF APPLICATION/INELIGIBILITY

FIRST TIME EXAMINEES: In accordance with Title 16, California Code of Regulations Section 1806 (f) an application shall be deemed abandoned if the applicant fails to sit for the examination within one year after being notified of eligibility.

RE-EXAMINATION APPLICANTS: An applicant who fails the examination may within one year from the eligibility notification date retake the examination without further application upon payment of the fee for the examination. Thereafter, the applicant shall not be eligible for further examination.

Persons failing to appear for re-examination, once having been scheduled, shall forfeit any re-examination fees paid.

AFTER PASSING THE EXAMINATION

Candidates may apply for licensure after passing the LPCC Grandparenting Jurisprudence and Ethics Written examination and meeting all current licensure requirements.

Candidates need to allow three weeks for processing of examination results and to receive the Request for Initial License application.

When your license number is issued it will be available on the BBS’ Web site. Your license certificate will be mailed within 30 working days of issuance.

STUDY MATERIAL AND COURSES

The LPCC Examination Plan contained in this handbook is the official standard for the material that will be covered in the examination. It is important for candidates to study the
Examination Items section of this handbook and the examination plan. Should the examination plan or format change, ample notice will be provided, and updates will be posted on the Board’s Web site at www.bbs.ca.gov.

Candidates are encouraged to trust in and use their clinical education, experience and judgment as a basis for responding to the examination items. Examination preparation courses are not necessary for success in the examination, and are not a substitute for education and experience. However, they may be useful for overcoming test anxiety or becoming familiar with the format of an examination.

Should you decide to use examination preparation course materials or workshops, we strongly encourage you to become an informed consumer prior to purchase and to consider the impact that incorrect information could have on your examination performance.

The BBS does not supply examination preparation providers with confidential examination material. Additionally, it is unlawful for candidates to provide information regarding examination content to anyone.

OBJECTIVE OF THE BOARD OF BEHAVIORAL SCIENCES

State licensing boards are mandated to protect the public by developing licensing examinations that determine minimum competency for licensure. Licensure is mandated for those who provide independent professional services to consumers.

In accordance with California Business and Professions Code Section 4999.54 (a)(f)(D)(iii), each applicant for the LPCC license who has met the educational and experience requirements must successfully complete a Board-administered Jurisprudence and Ethics Written examination. An applicant is required to take and pass the Jurisprudence and Ethics Written examination prior to issuance of the license.

Candidates are tested with regard to their knowledge and professional skills, as well as the ability to make judgments about appropriate techniques and methods as applicable to the LPCC scope of practice. Business and Professions Code Section 4999.20(a)(1), defines the LPCC scope of practice as: “...the application of counseling interventions and psychotherapeutic techniques to identify and remediate cognitive, mental, and emotional issues, including personal growth, adjustment to disability, crisis intervention, and psychosocial and environmental problems...”

LPCC EXAMINATION PLAN

The development of an examination program begins with an occupational analysis, most recently completed for LPCCs in 2010. An occupational analysis is a method for identifying the tasks performed in a profession or on a job and the knowledge, skills, and abilities required to perform that job.

The results of an occupational analysis form the basis of a licensing examination, demonstrating that an examination is job-related. The Department of Consumer Affairs’ Examination Validation Policy requires an occupational analysis be performed every three to seven years.

Last performed in 2010, the analysis began with research of the profession to gather information about the tasks that are performed in independent practice and the knowledge required to perform those tasks. That information was reviewed and refined during workshops with licensees. The panels then established the content of the new examination plan based on the task statements and knowledge areas determined critical to practice, forming a valid LPCC examination plan.

The LPCC Grandparenting Jurisprudence and Ethics Written examination plan consists of two content areas; law and ethics. In each content area, the examination plan describes examination content in terms of task statements and knowledge areas resulting from the occupational analysis. It is important that candidates prepare for the examination by studying the examination plan.

EXAMINATION DEVELOPMENT

The LPCC examinations are developed and maintained by the Office of Professional Examination Services (OPES), a division of the Department of Consumer Affairs. The OPES staff consists of test validation and development specialists trained to develop and analyze occupational licensing examinations.

Licensees who participate in examination development and review workshops are referred to as “Subject Matter Experts” (SMEs). SMEs write and review multiple-choice items for the examination. SMEs are trained by OPES staff in established examination development processes and measurement methodologies. The cooperative efforts among these members of the LPCC profession, the OPES and the BBS are necessary to achieve both the measurement and content standards for examination construction.

ESTABLISHING THE PASSING STANDARDS

The LPCC written examinations measure knowledge and skills required for LPCC practice, and represents a standard of performance that SMEs agree is the minimum acceptable level for licensing in the profession.

To establish pass/fail standards for each version of the LPCC Grandparenting Jurisprudence and Ethics Written examination, a criterion-referenced passing score methodology is used. The intent of this methodology is to differentiate between a qualified and unqualified licensure candidate. The passing score is based on minimum competence criterion that are defined in terms of the actual behaviors that qualified LPCCs would perform if they possessed the knowledge necessary to perform job activities.

During a criterion-referenced passing score procedure, a panel of SMEs also consider other factors that would contribute to minimum acceptable competence such as prerequisite qualifications (e.g., education, training and experience); the difficulty of the issues addressed in each multiple-choice item; and public health and safety issues. By adopting a criterion-
referenced passing score, the Board applies the same minimum competence standards to all licensure candidates.

Because each version of the examination varies in difficulty, an important advantage of this methodology is that the passing score can be modified to reflect subtle differences in difficulty from one examination to another, providing safeguards to both the candidate and the consumer. A new examination version is implemented every 90 days a minimum of two times per year to maintain examination security and the integrity of the licensing process.

EXAMINATION ITEMS

The LPCC Grandparenting Jurisprudence and Ethics Written examination contains no fewer than 75 multiple-choice items. The examination may contain additional items for the purpose of pre-testing (up to 25 nonscoreable items). Pre-testing allows performance data to be gathered and evaluated before the items are scoreable in an examination. These pre-test (“experimental”) items, distributed throughout the examination, WILL NOT be counted for or against you in your examination score and will not be identified to you.

All of the scoreable items in the LPCC Grandparenting Jurisprudence and Ethics Written examination have been written and reviewed by licensees, are based on the job-related task and knowledge statements contained in the examination plan, are written at a level that requires candidates to apply integrated education and experience, are supported by reference textbooks, and have been pre-tested to ensure statistical performance standards are met.

There is only one correct answer for each item. The ‘incorrect’ answers are typically common errors and misconceptions, true but not relevant statements or incorrect statements. There are no ‘trick’ questions in the examination.

You will have 1.5 hours to take this examination.
