HOW TO – Join – DCA WebEx Event

The following contains instructions on how to join a WebEx event hosted by the Department of Consumer Affairs (DCA).

NOTE: The preferred audio connection to our event is via telephone conference and not the microphone and speakers on your computer. Further guidance relevant to the audio connection will be outlined below.

1. Navigate to the WebEx event link provided by the DCA entity (an example link is provided below for reference) via an internet browser.

Example link:

The screenshot shows a web browser window displaying the WebEx event page for the California Department of Consumer Affairs. The page is titled "Event Information: 3/26". On the left side, there is a section for "Event status" which is "Started", "Date and time" which is "Thursday, March 26, 2020 10:30 am Pacific Daylight Time (San Francisco, GMT-07:00)", "Duration" which is "1 hour", and "Description" which is blank. Below this, there is a link to "Change time zone". On the right side, there is a "Join Event Now" section. It asks the user to "To join this event, provide the following information." and provides four input fields: "First name:", "Last name:", "Email address:", and "Event password:". Below the input fields, there is a "Join Now" button and a link to "Join by browser NEW!". At the bottom, there is a link to "start your event" if the user is the host.

2. The details of the event are presented on the left of the screen and the required information for you to complete is on the right.

NOTE: If there is a potential that you will participate in this event during a Public Comment period, you must identify yourself in a manner that the event Host can then identify your line and unmute it so the event participants can hear your public comment. The 'First name', 'Last name' and 'Email address' fields do not need to reflect your identity. The department will use the name or moniker you provide here to identify your communication line should you participate during public comment.

This will bring up the 'Q and A' chat box.

NOTE: The 'Q and A' button will only be available when the event host opens it during a public comment period.
