# SUBSEQUENT ASSOCIATE MARRIAGE AND FAMILY THERAPIST APPLICANTS

## FREQUENTLY ASKED QUESTIONS

**If I apply for a second number, will I lose all of my hours because they were gained under my first number?**

Not necessarily, but all hours of experience must be gained within the immediate six (6) years prior to the date the Board receives your *Application for Licensure*. Hours older than six (6) years prior to the date you apply will not count.

**For example:** The Board receives your *Application for Licensure*, postmarked on 4/27/2020. All of the hours you gained (under all Associate numbers) between 4/27/2014 and 4/27/2020 will be acceptable (as long as your experience meets all other requirements).

**My supervised experience hours have been approved. Do I need a current Associate number to continue testing?**

The Board encourages all individuals to maintain a current Associate registration and to continue recording experience hours until licensed as an LMFT, as a safeguard in the event that some of the hours submitted are unable to be accepted by the Board either now or in the future due to application abandonment and/or the “six-year rule” (see the [FAQs for AMFTs](#) for more information).

If you are working in a non-exempt setting, you are required to maintain a current Associate registration until your LMFT license has been issued. If you are working in an exempt setting (an institution that is both non-profit and charitable, a school or a governmental entity), you are not required to maintain a registration. However, your employer may require it as a condition of employment.

**Must I continue to have supervision after my experience hours have been approved?**

Once the required number of experience hours are gained, you must receive a minimum of one hour of direct supervisor contact per week for each practice setting in which direct clinical counseling is performed. Once the required number of experience hours are gained, further supervision for nonclinical practice shall be at the supervisor’s discretion.

You may seek legal assistance from a lawyer or legal aid organization before providing any information about your criminal history.
