

CALIFORNIA STATE BOARD OF BEHAVIORAL SCIENCES BILL ANALYSIS

BILL NUMBER: SB 1237 **VERSION:** AMENDED MARCH 30, 2022
AUTHOR: NEWMAN **SPONSOR:** CALIFORNIA OPTOMETRIC ASSOCIATION
RECOMMENDED POSITION: NONE
SUBJECT: LICENSES: MILITARY SERVICE

Summary

This bill would clarify the meaning of the term “called to active duty” with respect to the requirement in law that licensing boards under the Department of Consumer Affairs (DCA) waive renewal fees and continuing education requirements of a licensee or registrant called to active duty as a member of the U.S. Armed forces or California National Guard.

Existing Law:

- 1) Allows a licensee or registrant of any board, commission, or bureau within DCA to reinstate their license without examination or penalty if the license expired while they were on active duty with the California National Guard or the United States Armed Forces, if certain conditions are met. (Business and Professions Code (BPC §114):
- 2) Requires boards under DCA to waive continuing education requirements and renewal fees for a licensee or registrant **called to active duty** as a member of the U.S. Armed Forces or California National Guard if they meet all of the following (BPC §114.3(a)):
 - a) They possessed a current, valid license with the Board at the time they were called to active duty.
 - b) The renewal requirements are only waived while they are on active duty.
 - c) They provide written documentation of the active duty service.
- 3) Prohibits the licensee or registrant to engage in any activities requiring a license while their waiver is in effect, with one exception. If they plan to provide services, the Board must convert the license status to “military active,” and the licensee or registrant may not engage in private practice. (BPC §114.3(b))
- 4) Once discharged from active duty, the licensee or registrant must meet all necessary renewal requirements within 6 months from the discharge date to engage in licensed

activities. The licensee or registrant must also notify the board of their discharge within 60 days. (BPC §114.3(c) and (d))

- 5) Defines “active duty” as full-time duty in the active military service of the United States. It includes full-time training duty, annual training duty, and attendance, while in active military service, at a school designated as a service school by law or by the Secretary of the military department concerned. It does not include full-time National Guard duty. (Section 101, Title 10 of the United States Code)

This Bill:

- 1) Clarifies the term “called to active duty.” It specifies that the term “called to active duty” has the same meaning as “active duty” as defined in Section 101, Title 10 of the United States Code (Definition can be found in Item #5 of “Existing Law” above), and also includes individuals on active duty in the California National Guard, whether called due to a proclamation of a state of insurrection (pursuant to [MVC §143](#)) or due to a state extreme emergency or otherwise on active duty (pursuant to [MVC §146](#)).

Comments:

- 1) **Author’s Intent.** According to the author, there have been cases (at other DCA boards) where DCA has determined that military personnel with active orders to serve in a permanent, career position at a base are not “called to active duty” within the meaning of the exemption from renewal fees and other renewal requirements. The author states *“This overly narrow interpretation has resulted in undue burdens for active-duty military personnel compelled to maintain their professional license while also serving in the military in a permanent assignment or career position outside of California.”*

Overall, the author is seeking to expand the exemption for renewal fees and other renewal requirements to include not just those “called to active duty”, but also those in the military on active duty in a permanent, career position at a base located outside of California.

- 2) **Board Process.** When the Board gets a request for to waive the renewal fee and continuing education requirements for a licensee or registrant called to active duty, it does not require the length of duty to be stated as a condition of approval. The Board requests their military orders, which states date they were called to active duty, to confirm the active duty. The licensee or registrant must notify the Board within 60 days of their discharge.
- 3) **Fiscal Impact.** The Board is not reporting a fiscal impact for this bill.

Since BPC section 114.3 became effective on January 1, 2013, the Board has had a total of 15 applications for its renewal fee and CE waiver. Currently, the Board has the 7 individuals utilizing this waiver.

4) Previous Legislation.

- AB 1588 (Atkins, Chapter 742, Statutes of 2012) required the Board to waive continuing education requirements and renewal fees for a licensee or registrant while they are called to active duty as a member of the United States Armed Forces or the California National Guard if they meet certain requirements.

5) **Recommended Position.** At its meeting on April 20, 2022, the Policy and Advocacy Committee opted not to recommend a position on this bill, and to instead continue to watch it.

SENATE BILL

No. 1237

Introduced by Senator Newman

February 17, 2022

An act to amend Section 114.3 of the Business and Professions Code, relating to professions and vocations.

legislative counsel's digest

SB 1237, as amended, Newman. Licenses: military service.

Existing law provides for the regulation of various professions and vocations by boards within the Department of Consumer Affairs and for the licensure or registration of individuals in that regard. Existing law authorizes any licensee or registrant whose license expired while the licensee or registrant was on active duty as a member of the California National Guard or the United States Armed Forces to reinstate the licensee's or registrant's license without examination or penalty if certain requirements are met.

Existing law requires the boards described above, with certain exceptions, to waive the renewal fees, continuing education requirements, and other renewal requirements as determined by the board, if any are applicable, of any licensee or registrant who is called to active duty as a member of the United States Armed Forces or the California National Guard if certain requirements are met. Existing law, except as specified, prohibits a licensee or registrant from engaging in any activities requiring a license while a waiver is in effect.

~~This bill would require the boards to waive the renewal fee of any licensee or registrant who is called to active duty as a member of the United States Armed Forces or the California National Guard if the licensee or registrant is stationed outside of California.~~ *define the phrase*

“called to active duty” to include active duty in the United States Armed Forces and on duty in the California National Guard, as specified. This bill would also make nonsubstantive changes to those provisions.

Vote: majority. Appropriation: no. Fiscal committee: yes.
 State-mandated local program: no.
