## **Exception Regulation, 16 CCR Section 1887.2(c)**

(c) A licensee may submit a request for exception from or reasonable accommodation for the continuing education requirement, on a form entitled “Request for Continuing Education Exception,” Form No. 1800 37A-635 (Revised 03/10), for any of the reasons listed below. The request must be submitted to the board at least sixty (60) days prior to the expiration date of the license. The board will notify the licensee within thirty (30) working days after the receipt of the request for exception or reasonable accommodation, whether the exception or accommodation was granted. If the request for exception or accommodation is denied, the licensee is responsible for completing the full amount of continuing education required for license renewal. If the request for exception or accommodation is approved, it shall be valid for one renewal period.

- (1) The board shall grant an exception if the licensee can provide evidence, satisfactory to the board, that:
  - (A) For at least one year during the licensee’s previous license renewal period the licensee was absent from California due to military service; or,
  - (B) For at least one year during the licensee’s previous license renewal period the licensee resided in another country.
- (2) The board may grant a reasonable accommodation if, for at least one year during the licensee’s previous license renewal period, the licensee or an immediate family member, including a domestic partner, where the licensee is the primary caregiver for that family member, had a physical or mental disability or medical condition as defined in Section 12926 of the Government Code. The physical or mental disability or medical condition must be verified by a licensed physician or psychologist with expertise in the area of the physical or mental disability or medical condition. Verification of the physical or mental disability or medical condition must be submitted by the licensee on a form entitled “Request for Continuing Education Exception –Verification of Disability or Medical Condition,” Form No. 1800 37A-636 (New 03/10).

## **How to Request Exception**

To request an exception, complete the form on the reverse side and submit it to the board, along with sufficient proof. The board will accept documentation establishing the validity of your request, including military orders that demonstrate service outside California or a passport or visa showing the dates you resided out of the country. The board may accept a written statement from your physician or psychologist in lieu of completing Part 2 of the verification form, provided that the statement provides all of the information requested in Part 2 of the form and includes all of the following: the name, title, address, telephone number, professional license number, and original signature of the physician or psychologist providing the verification. **Please remember that the documentation must supply all of the information required by Section 1887.2(c) above.** After the board’s review, you will be notified whether your request was granted.

## **Exceptions Cannot be Granted Before the Fact**

The board can only grant exceptions when provided with proof that you have met the minimum criteria outlined in Section 1887.2(c). You may request exception after the situation has occurred, or during the situation as long as you have met the minimum criteria. *For example, if your license expiration date is July 31, 2011, and you are going to live out of the country from May 2010 through November 2011, you can submit your request for exception due to living out of the country any time after May 2011.*

## **Renewal Application**

Please send in your request for exception prior to submitting your renewal application. Courtesy renewal applications are mailed out 90 days prior to the expiration date. It takes 30 business days to process an application for exception. **Do not submit your renewal application until you have received a written decision regarding your request for exception. If your request is denied, you will be required to complete the mandatory coursework and hours of continuing education prior to renewing your license in an active status. The Board must receive your request for exception at least sixty (60) days PRIOR to the expiration date of the license in order for the exception to be considered.**
