1. **POST-DEGREE EXPERIENCE AND THE 90-DAY RULE**

Post-degree hours of experience will only begin accruing from the issuance date of your Associate registration, unless the Board receives your application for registration within 90 days from the date your qualifying degree was conferred, as posted on your transcript. Applicants may not work in a private practice or professional corporation until the associate registration has been issued.

**Special note for applicants graduating on or after January 1, 2020:**
Hours may only be accepted under the “90-day-rule” described above IF the hours are obtained at a workplace that, prior to the applicant gaining hours, required Live Scan fingerprinting. The applicant must provide documentation to the Board consisting of a copy of the processed “State of California Request for Live Scan Service” form. This form must be submitted with the Application for Licensure in order for the hours gained between graduation and registration issuance to be accepted. A copy of the processed form is the ONLY acceptable documentation specified in law. There are no exceptions. See the FAQ about the 90-day rule for more information about the new requirements.

2. **EXAM REQUIREMENT FOR RENEWAL OF REGISTRATION**

*Registrants Must Take a California Law and Ethics Exam to Renew:*

After your Associate registration is issued, you will be required to take the LPCC California Law and Ethics Exam. Your registration will not be renewable until the exam has been taken. You will be given instructions on applying for this exam once your registration has been issued.

*About the California Law and Ethics Exam*

The California Law and Ethics Exam is designed to assess an applicant's knowledge of and ability to apply legal and ethical standards relating to clinical practice. See the Exams tab of the Board’s website for more information.

3. **SUPERVISION AND WORK SETTING REQUIREMENTS**

You are required to work under the supervision of a qualified supervisor in order to gain hours of experience toward licensure. In addition, it is against the law for you to provide clinical services in a private practice setting or in a professional corporation without a registration and without the required supervision. See the Publications section of the
“Applicants/LPCC” tab on the Board’s website for more information and additional requirements about supervision and work settings.

4. MAXIMUM RENEWALS AND ISSUANCE OF SUBSEQUENT REGISTRATIONS

Your registration can be renewed five (5) times, for a total six (6)-year length. If you need to retain a registration after this time, you will need to apply for a subsequent registration number. A subsequent registration can only be issued to applicants who have passed the LPCC California Law and Ethics Exam (or the former LPCC Standard Written Exam).

5. ABANDONMENT OF APPLICATION

In accordance with Title 16, California Code of Regulations section 1806, an application shall be deemed abandoned in either of the following circumstances:

- You do not submit evidence that you have cleared the deficiencies specified in the deficiency letter within one (1) year from the date of the initial deficiency letter
  OR
- You do not complete your application within one (1) year after it has been filed.

To re-open an abandoned application, you must submit a new application, fee and all required documentation, as well as meet all current registration requirements in effect at the time the new application is submitted.

6. SCOPE OF PRACTICE – TREATMENT OF COUPLES AND FAMILIES

The scope of practice for Licensed Professional Clinical Counselors does not allow for the assessment or treatment of couples or families unless the LPCC has completed additional training and education. An Associate Professional Clinical Counselor may gain experience with couples and families if the experience is obtained under the supervision of a Licensed Marriage and Family Therapist, Licensed Clinical Social Worker, or an LPCC who has already met the scope of practice qualifications to see couples and families. Please see the Board’s website for more information.

7. SUICIDE RISK ASSESSMENT AND INTERVENTION REQUIREMENT

Six (6) hours of coursework or applied experience in Suicide Risk Assessment and Intervention is required of those submitting an Application for Licensure on or after January 1, 2021. If this content was included within your supervised experience, and you can obtain a written certification from the program’s director of training, or from your primary supervisor stating that the training was included within your supervised experience, it may be accepted in lieu of a course.

If this content was included within your qualifying degree program, you will need to obtain a written certification from the registrar or training director of your school or
program stating that this coursework was included within the curriculum required for graduation, or within the coursework that was completed by you.

Otherwise, this requirement may be met by taking a six-hour course from a school that holds a regional or national institutional accreditation recognized by the U.S. Department of Education, a school approved by the California Bureau for Private Postsecondary Education, or an acceptable continuing education provider.

8. PUBLIC ADDRESS and CHANGE OF ADDRESS

The address you enter on any Board form is public information and will be placed on the Internet pursuant to Business and Professions Code section 27. If you do not want your home or work address available to the public, use an alternate mailing address, such as a post office box. California law requires all persons regulated by the Board to notify the Board in writing within 30 days of any change of address.

Under California law each person licensed by the Board of Behavioral Sciences is a “mandated reporter” for both child, elder and/or dependent adult abuse or neglect purposes. California Penal Code section 11166 and Welfare and Institutions Code section 15630 require that all mandated reporters make a report to an agency specified [generally law enforcement, state, and/or county adult protective services agencies, etc…] in Penal Code section 11165.9 and Welfare and Institutions Code section 15630(b)(1) whenever the mandated reporter, in their professional capacity or within the scope of their employment, has knowledge of or observes a child, elder and/or dependent adult whom the mandated reporter knows or reasonably suspects has been the victim of child abuse or elder abuse or neglect.

The mandated reporter must make a report of such abuse or neglect immediately, or as soon as practically possible, in the manner specified in Penal Code section 11166 (for child abuse or neglect) or in Welfare and Institutions Code section 15630 (for elder or dependent adult abuse or neglect). Failure to comply with the requirements of Penal
Code Section 11166 or Welfare and Institutions Code Section 15630 is a misdemeanor, punishable by up to six months in a county jail, by a fine of one thousand dollars ($1,000), or by both imprisonment and fine. For further details about these requirements, consult Penal Code sections 11164 and Welfare and Institutions Code section 15630, and subsequent sections.

If you fail to disclose your tax identification number, your application for initial or renewal license will not be processed AND you will be reported to the Franchise Tax Board, which may assess a $100 penalty against you.

13. STATE TAX OBLIGATION

Pursuant to Business and Professions Code section 31(e), the State Board of Equalization and the Franchise Tax Board may share taxpayer information with the Board. If a registrant does not pay their state tax obligation, the associate registration may be suspended.

INSTRUCTIONS FOR LIVE SCAN FINGERPRINTING
AND PRIVACY NOTICES

Live Scan Fingerprinting is available only in California. Live Scan fingerprint results will be submitted to the Department of Justice (DOJ) and the Federal Bureau of Investigation (FBI) electronically.

If you need to have your fingerprints taken in another state, you must use the "hard card" fingerprint method. To request hard cards and instructions, send an email to BBS.Fingerprint@dca.ca.gov with "Fingerprint Hard Cards" in the subject line, and include your mailing address. Please be advised that the DOJ processing time for hard card fingerprints is a minimum of 8 to 12 weeks, or longer. In order to avoid processing delays and additional costs that result from invalid fingerprint cards, fingerprints must be taken at a law enforcement agency in the state of residence.

**Fingerprint Fees - Paid to Live Scan Site**

If you have your prints taken via Live Scan, you must pay the fingerprint fees below directly to the site where you have your Live Scan fingerprints taken:

- DOJ FINGERPRINT PROCESSING FEE: $32.00
- FBI FINGERPRINT PROCESSING FEE: $17.00

In addition to these processing fees, there may be a service charge associated with the Live Scan site you visit. The Live Scan service site will collect the above fees at the time you are fingerprinted. The Live Scan service charge may vary from location to location.

**Complete the Request for Live Scan Service Form**

You must complete and submit the attached *Request for Live Scan Service* form at the Live Scan site. Make sure that the information provided in Section 3 of the form matches the information on your BBS application. Once your fingerprints have been scanned, the Live Scan Operator will complete Section 4 of this form and return the second and third copies to you.

The second copy of this form, with Section 4 completed by the Live Scan Operator, must be MAILED to the BBS in order to retrieve your fingerprint results from the DOJ. Retain the third copy for your records as a proof of payment.
Live Scan Fingerprint Locations

You must visit an approved Live Scan Service Site. Most local Police and Sheriff Departments offer the Live Scan fingerprinting service. Some large school districts, passport services, and stores with generalized fingerprinting expertise may also offer Live Scan. A current listing of Live Scan sites is available on the DOJ website at https://oag.ca.gov/fingerprints/locations.

Consider calling the Live Scan service provider for hours of operation, fees, and appointment times if necessary. You must present valid photo identification (i.e., driver’s license, military ID, or passport) at the Live Scan site.

Privacy Act Statement

Authority. The FBI's acquisition, preservation, and exchange of fingerprints and associated information is generally authorized under 28 U.S.C. 534. Depending on the nature of your application, supplemental authorities include Federal statutes, State statutes pursuant to Pub. L. 92-544, Presidential Executive Orders, and federal regulations. Providing your fingerprints and associated information is voluntary; however, failure to do so may affect completion or approval of your application.

Principal Purpose. Certain determinations, such as employment, licensing, and security clearances, may be predicated on fingerprint-based background checks. Your fingerprints and associated information/biometrics may be provided to the employing, investigating, or otherwise responsible agency, and/or the FBI for the purpose of comparing your fingerprints to other fingerprints in the FBI's Next Generation Identification (NGI) system or its successor systems (including civil, criminal, and latent fingerprint repositories) or other available records of the employing, investigating, or otherwise responsible agency. The FBI may retain your fingerprints and associated information/biometrics in NGI after the completion of this application and, while retained, your fingerprints may continue to be compared against other fingerprints submitted to or retained by NGI.

Routine Uses. During the processing of this application and for as long thereafter as your fingerprints and associated information/biometrics are retained in NGI, your information may be disclosed pursuant to your consent, and may be disclosed without your consent as permitted by the Privacy Act of 1974 and all applicable Routine Uses as may be published at any time in the Federal Register, including the Routine Uses for the NGI system and the FBI's Blanket Routine Uses. Routine uses include, but are not limited to, disclosures to: employing, governmental, or authorized non-governmental agencies responsible for employment, contracting, licensing, security clearances, and other suitability determinations; local, state, tribal, or federal law enforcement agencies; criminal justice agencies; and agencies responsible for national security or public safety.
As an applicant who is the subject of a national fingerprint-based criminal history record check for a noncriminal justice purpose (such as an application for employment or a license, an immigration or naturalization matter, security clearance, or adoption), you have certain rights which are discussed below.

- You must be provided written notification\(^1\) that your fingerprints will be used to check the criminal history records of the FBI.
- You must be provided, and acknowledge receipt of, an adequate Privacy Act Statement when you submit your fingerprints and associated personal information. This Privacy Act Statement should explain the authority for collecting your information and how your information will be used, retained, and shared.\(^2\)
- If you have a criminal history record, the officials making a determination of your suitability for the employment, license, or other benefit must provide you the opportunity to complete or challenge the accuracy of the information in the record.
- The officials must advise you that the procedures for obtaining a change, correction, or update of your criminal history record are set forth at Title 28, Code of Federal Regulations (CFR), Section 16.34.
- If you have a criminal history record, you should be afforded a reasonable amount of time to correct or complete the record (or decline to do so) before the officials deny you the employment, license, or other benefit based on information in the criminal history record.\(^3\)

You have the right to expect that officials receiving the results of the criminal history record check will use it only for authorized purposes and will not retain or disseminate it in violation of federal statute, regulation or executive order, or rule, procedure or standard established by the National Crime Prevention and Privacy Compact Council.\(^4\)

If agency policy permits, the officials may provide you with a copy of your FBI criminal history record for review and possible challenge. If agency policy does not permit it to provide you a copy of the record, you may obtain a copy of the record by submitting fingerprints and a fee to the FBI. Information regarding this process may be obtained at [https://www.fbi.gov/services/cjis/identity-history-summary-checks](https://www.fbi.gov/services/cjis/identity-history-summary-checks)

If you decide to challenge the accuracy or completeness of your FBI criminal history record, you should send your challenge to the agency that contributed the questioned information to the FBI. Alternatively, you may send your challenge directly to the FBI. The FBI will then forward your challenge to the agency that contributed the questioned information and request the agency to verify or correct the challenged entry. Upon receipt of an official communication from that agency, the FBI will make any necessary changes/corrections to your record in accordance with the information supplied by that agency. (See 28 CFR 16.30 through 16.34.) You can find additional information on the [FBI website](https://www.fbi.gov/about-us/cjis/background-checks) at [https://www.fbi.gov/about-us/cjis/background-checks](https://www.fbi.gov/about-us/cjis/background-checks)
