FREQUENTLY ASKED QUESTIONS

If I apply for a second number, will I lose all of my hours because they were gained under my first number?

Not necessarily, but all hours of experience must be gained within the immediate six (6) years prior to the date the Board receives your *Application for Licensure*. Hours older than six (6) years prior to the date you apply will not count.

For example: The Board receives your *Application for Licensure*, postmarked on 4/27/2020. All of the hours you gained (under all Associate numbers) between 4/27/2014 and 4/27/2020 will be acceptable (as long as your experience meets all other requirements).

My supervised experience hours have been approved. Do I need a current Associate number to continue testing?

The Board encourages all individuals to maintain a current Associate registration and to continue recording experience hours until licensed as an LMFT, as a safeguard in the event that some of the hours submitted are unable to be accepted by the Board either now or in the future due to application abandonment and/or the "six-year rule" (see the <u>FAQs for AMFTs</u> for more information).

If you are working in a non-exempt setting, you are required to maintain a current Associate registration until your LMFT license has been issued. If you are working in an exempt setting (an institution that is both non-profit and charitable, a school or a governmental entity), you are not required to maintain a registration. However, your employer may require it as a condition of employment.

Must I continue to have supervision after my experience hours have been approved?

Once the required number of experience hours are gained, you must receive a minimum of one hour of direct supervisor contact per week for each practice setting in which direct clinical counseling is performed. Once the required number of experience hours are gained, further supervision for nonclinical practice shall be at the supervisor's discretion.

BACKGROUND INFORMATION – RESPONSE IS VOLUNTARY Some criminal convictions will appear on the Board's background check and may require additional investigation prior to a licensing determination. For information on which convictions the Board is permitted to consider, see the Criminal Conviction FAQ (access at bbs.ca.gov>Consumers> Criminal Convictions>Publications). All currently pending criminal actions will appear on the Board's background check and may require additional investigation prior to a licensing determination. You are not required to disclose any past convictions or pending criminal cases on this application. In some cases, voluntarily providing information with the application about convictions that the Board is permitted to consider may help an application get processed more quickly. You may therefore choose to complete the Background Statement form (access at bbs.ca.gov>Consumers> Criminal Convictions>Forms) and submit it with your application along with evidence of rehabilitation. The form is available on the Board's website, and includes areas to report convictions the board is permitted to consider, or pending criminal actions.						
You can also submit the <i>Background Statement</i> form and evidence of rehabilitation after you submit your application or in response to inquiries from the Board. You may seek legal assistance from a lawyer or legal aid organization before providing any information about your criminal history. The Board will not deny your application because you exercised your right not to provide criminal history information in your initial application.
