1. **Examinations:** You must pass both of the following exams:
   - **California Law and Ethics Exam:** You will be eligible to take this exam upon issuance of your Associate registration or upon approval of your Application for Licensure.

   - **If you are licensed as an MFT in another state or country at the highest level for independent clinical practice:** You do not need to submit verification of your experience if you are licensed in another state or country that requires at least 3,000 hours of experience. If your state requires less than 3,000 hours, you may make up the deficit using time actively licensed in good standing at the rate of 100 hours per month licensed at the highest level (up to a maximum of 1,200 hours). You do not need to submit verification of this experience. If additional hours are needed and will be gained in California, you must first register as an Associate and comply with all requirements for hours gained in California.
   - **All other applicants:** You will need to submit verification of substantially equivalent supervised experience totaling 3,000 hours and 104 weeks as described below:

Path B – LICENSURE BY EDUCATION/EXPERIENCE (continued)

3. **Qualifying Degree:** Your degree must be a master’s or doctoral degree obtained from a school that holds a regional or national institutional accreditation recognized by the USDE, or a school approved by the BPPE. If your degree was obtained outside of the United States, you must obtain a degree evaluation in accordance with BPC section 4980.76. See *Summary of LMFT Out-of-State Education Requirements* on the next page for other minimum degree requirements.

4. **Degree Remediation:** You must remediate any deficiencies in your degree program where allowed as specified in BPC section 4980.78. See the chart on the next page for a summary, and the *Application for Licensure* for details.

5. **Additional Coursework:** You must complete coursework in accordance with BPC sections 4980.78 and 4980.81, some of which must be California-specific. See the chart beginning on page 6 for details. Courses may be taken from a school that holds a regional or national institutional accreditation recognized by the USDE, a school approved by the BPPE, or an acceptable continuing education provider. Undergraduate coursework cannot be accepted. If it will take you a significant amount of time to complete your coursework, you may want to consider registering as an Associate while you are taking the courses as it will allow you to work as a therapist in California under supervision.

If you are unsure whether your degree or other coursework qualifies (or is deficient), submit your *Associate Marriage and Family Therapist Registration Application* or *Application for Licensure* and fee, and we will provide you with the results of the evaluation.
