**Authority and Reference:** Pursuant to the authority vested by Sections 4990.16, 4990.18, and 4990.20 of the Business and Professions Code (BPC), and to implement, interpret, or make specific Sections 4980.80, 4989.10, 4989.12, 4989.14, 4989.20, 4989.22, 4989.24, 4989.26, 4989.28, 4989.34, 4989.68, 4990, 4990.04, 4990.08, 4990.12, 4990.20, 4996.2, 4996.22, 4996.23, 4999.20, 4999.24, 4999.30, 4999.32, 4999.33, 4999.34, 4999.36, 4999.42, 4999.44, 4999.45, 4999.46, 4999.47, 4999.48, 4999.50, 4999.52, 4999.54, 4999.58, 4999.60, 4999.76, 4999.90, 4999.104, 4999.112, and 4999.120 of the BPC, the BBS is considering amending Division 18 of Title 16 of the California Code of Regulations (CCR) as follows:

**INFORMATIVE DIGEST / POLICY STATEMENT OVERVIEW**

BPC Section 4990.20 authorizes the BBS to adopt rules and regulations as necessary to administer and enforce the provisions of the Chapters of the BPC for which it is responsible. On October 11, 2009 the Governor approved Senate Bill (SB) 788 (Wyland), which created Chapter 16 (Licensed Professional Clinical Counselors) of Division 2 in the BPC and mandated the BBS implement the provisions of the new chapter. BPC Section 4999.30 prohibits any person in the State of California from practicing or advertising the performance of professional clinical counseling services without a license issued by the BBS. Furthermore, BPC Section 4999.80 mandates the BBS enforce laws designed to protect the public from incompetent, unethical or unprofessional practitioners, investigate complaints concerning the conduct of any licensed professional clinical counselor, and take disciplinary action against licenses issued as enumerated in rules and regulations of the BBS.

Division 18 of Title 16 of the CCR includes numerous sections relating to education requirements, experience requirements, fees, administrative actions, and disciplinary guidelines of BBS-regulated licensees and registrants.

The purpose of these regulations is to revise existing regulations to incorporate licensed professional clinical counselor (LPCC) requirements and fees referenced in various sections of Chapter 16 of Division 2 of the BPC. These revisions will also modify the document titled "Board of Behavioral Sciences Disciplinary Guidelines (Rev. ~~November 2008~~ March 2010)" referenced in CCR Section 1888 (Division 18 of Title 16).

Also, the BBS administers and enforces the provisions of the Educational Psychology Act (“Act” -- Business and Professions Code (BPC) sections 4989.10 and following). BPC section 4989.34 of that Act requires licensed educational psychologists (LEPs) to certify completion of approved continuing education (CE) in, or relevant to, educational psychology and authorizes the BBS to establish “exceptions” for LEPs from CE requirements for “good cause” as determined by the BBS. Further, Section 4989.34 authorizes the BBS to establish, by regulation, a procedure for approving providers of LEP CE courses and to set minimum standards for those CE course providers.

Current law does not specify requirements for BBS-approved CE courses for LEPs, set license renewal requirements relative to CE for LEPs, or establish a procedure for the BBS to grant exceptions to those requirements. Current law also does not create a procedure for the approval of providers of LEP CE courses or set minimum standards for those CE course providers. This proposal would establish those requirements and procedures.

Additionally, these revisions will correct numerous erroneous authority citations and references in existing regulations that were not updated upon the Governor’s approval of SB 1475 (Figueroa) on September 29, 2006 and update references to new forms and revisions to previously incorporated forms.

This rulemaking also proposes changes to the CE exception process for all licensees, in order to bring this section and the BBS’s forms into compliance with both the Americans with Disabilities Act (ADA) and the California Fair Employment and Housing Act (FEHA). Other clarifying and technical changes are also proposed to the BBS’s CE regulations.

A prior rulemaking package was noticed with the Office of Administrative Law and published in the regulatory notice register on October 30, 2009 relating to the following Sections of this proposal: 1807, 1807.2, 1810, 1819.1, 1887, 1887.1, 1887.2, 1887.3, 1887.4, 1887.5, 1887.6, 1887.7, 1887.8, 1887.9, 1887.10, 1887.11, 1887.12, 1887.13, and 1887.14. The language included in the previous rulemaking package, Notice File Number Z-2009-1019-01, relating to required continuing education for LEPs has been incorporated into this proposed rulemaking, with the following changes:

1. Extension of the implementation date from January 1, 2011 to January 1, 2012; and,
2. Deletion of the requirement for LEPs to take the following specific CE courses:
  - a. Human Sexuality
  - b. Spousal/Partner Abuse Training
  - c. Aging and Long-term Care
  - d. AIDS/HIV Training

Due to the passage of SB 788 which, beginning January 1, 2011, requires the BBS to establish, license and regulate professional clinical counselors, it is necessary to develop regulations to implement those LPCC related statutes immediately. Implementation of SB 788 requires the Board to include LPCCs in all current, relevant regulations, including those relating to continuing education. In order to ensure that all BBS licensees complete statutorily mandated continuing education it is therefore necessary to include both LEP and LPCC continuing education requirements in one rulemaking package.

#### **FISCAL IMPACT ESTIMATES**

Local Mandate: None

Fiscal Impact on Public Agencies Including Costs or Savings to State Agencies or Costs/Savings in Federal Funding to the State: None

Nondiscretionary Costs/Savings to Local Agencies: None

Cost to Any Local Agency or School District for Which Government Code Sections 17500 - 17630 Require Reimbursement: None

Business Impact: The BBS has made an initial determination that the proposed regulatory action would have no significant statewide adverse economic impact directly affecting businesses, including the ability of California businesses to compete with businesses in other states. Furthermore, individuals who previously could not start private businesses because no LPCC license existed now will have the opportunity to start a business.

**AND**

The following studies/relevant data were relied upon in making the above determination: The costs associated with this regulation include the fees an individual would be required to pay to pursue the LPCC license (e.g. application fees, examination fees, etc).

The annual salary of a Mental Health Counselor as reported by the Bureau of Labor Statistics created a baseline for the benefits attributed to an individual who earns a license as an LPCC.

There would be very minor costs to businesses to comply with the CE requirements for LEPs which would cost each business approximately \$90 per year. This is based on the cost per unit of CE averaging \$5 (it ranges from free to \$10 per unit, based on a review of seven websites offering CE to MFTs and LCSWs from BBS-approved providers) at 18 units required per year. There would be minor costs to businesses who want to provide CE courses to LEPs at \$200 initially (application fee) and \$200 every two years thereafter (renewal fee).

Impact on Jobs/New Businesses: The BBS has determined that this regulatory proposal would create job and business opportunities for those who earn a license as an LPCC. Additionally, the BBS has determined that this regulatory proposal would create job and business opportunities for those who want to provide CE to LEPs. Otherwise, this proposal will not have any impact on the creation of jobs or businesses or the elimination of jobs or existing businesses or the expansion of businesses in the State of California.

Cost Impacts on Representative Private Persons or Businesses:

Depending on the qualification method for the license, the cost for obtaining a LPCC license ranges between approximately \$380 and \$1050. Depending on the type of LPCC license held (e.g. annual renewal versus biennial renewal), the ongoing annual cost for maintaining an active license would range between \$87.50 and \$150. CE costs an average of \$5 per unit. LEPs will be required to complete 18 units per year for an average cost of \$90 per person per year. For LEPs who have a disability or medical condition and want to apply for an exception to CE, there would be an approximate \$300 cost related to an evaluation or forms completion by a physician or psychologist. Finally, those who wish to provide CE to LEPs and are not currently approved by the BBS as a CE provider will have an initial application cost of \$200 and \$200 renewal fee every two years.

Effect on Housing Costs: None

**EFFECT ON SMALL BUSINESS**

The BBS has determined the net impact to small business will be positive because the creation of the LPCC license represents new opportunities for individuals to open small-businesses who previously could not because no LPCC license existed in the State of California. The initial cost

of obtaining and maintaining the license would be surpassed over the life of the regulation if LPCCs achieve an annual income similar to the annual income of a 'Mental Health Counselor' as reported by the Bureau of Labor Statistics (approximately \$45,000).

The implementation of a CE program for LEPs would have a minimal impact on a small business. The BBS estimates that 767 LEPs own a small business and it would cost \$90 per year to comply. Additionally, there would be a minor impact on small businesses who wish to offer CE to LEPs (those that are not already registered with the BBS as a CE provider). The costs to these small businesses is \$200 to apply and \$200 to renew every two years.

The changes to the BBS's CE exception regulation could present a minimal cost impact to the approximately 85 small businesses per year owned by MFTs, LCSWs or LEPs with a disability or medical condition who apply for an exception to CE. The cost would be approximately \$300 for a physician or psychologist to evaluate the licensee and/or complete paperwork for the BBS's records.

### **CONSIDERATION OF ALTERNATIVES**
