EXAMINATION PASS RATES

Attached for your review are the examination statistics by school. A total 5,199 exams were administered in the second quarter of fiscal year (FY) 2022/2023. This represents an approximate 5.6% decrease in exam administrations from the first quarter of FY 2022/2023. For a detailed view of the school pass rate, please see Attachment A: Exam School Report 2nd Quarter FY 2022-2023.

EXAMINATION DEVELOPMENT

Ten examination development workshops were conducted from October 1, 2022, through December 2022. Five passing score workshops were in-person at the Office of Professional Exam Administrators (OPES) office in Sacramento. One exam development workshop was done remotely. The remote workshop was supposed to be a two-day workshop; however, the second day has been rescheduled for March 23, 2023.

Board staff continues to work with OPES on recruiting subject matter experts (SME) for the various Board administered exams. To increase the efficiency of the workshop process, the Board has entered a Memorandum of Understanding (MOU) that will have OPES take over the responsibility of providing travel arrangements for SME's participating in in-person workshops in Sacramento.

ASSOCIATION OF SOCIAL WORK BOARDS (ASWB)

90-day Exam Waiting Period Waiver

In August 2022 the Board approved of the ASWB process of allowing candidates to participate in the 90-day waiver for an exam failed within ten points. Board staff worked with ASWB to implement this waiver and to assume the management of the re-exam process. After several meetings, it was determined that the ASWB database could not meet the Board's current re-exam system parameters and that the process for managing these waivers would have to be a manual process performed by Board staff. Managing and monitoring these requests has become a significant workload for exam staff.

Between September 16, 2022, and December 31, 2022, the Board received 146 requests from ASWB for candidates who were eligible for the 90-day waiver. Ten requests were for a second 90-day waiver request. Of the 146 candidates approved for the 90-day waiver, 59 candidates have retaken the exam with 26 candidates passing the exam. To allow for the 90-day waiver option, ASWB would need to take over the re-exam approval process. For this service, ASWB would require a $60 fee from each requesting candidate. Based on the volume of approved 90-day waivers, the amount of candidates that utilized their waiver, and the possible added cost to each candidate, staff determined it was not a feasible option. The Board will continue to approve candidates for the re-exam once the 90-day waiting period passes.

Clinical Exam Pass Rates

Further review of the ASWB's 2022 Exam Pass Rate Analysis brought to the Board's staff attention that the school code list for ASWB is incomplete for candidates from California schools. ASWB is open to receiving suggestions from the Board. Once the Board has completed our process of updating school codes within our database, staff will reach out to ASWB to request their school list be updated.

ASWB Community Conversations

ASWB has engaged HumRRO, and independent nonprofit research and consulting firm, to collaborate with community partners in facilitating inclusive and productive conversations about the social work licensing exams. The community conversation, that will be held between January and May 2023, will give social workers a chance to share stories about their pathway to licensure and barriers they may have encountered. Information about these events has been shared on the Board's Facebook page.

NATIONAL BOARD FOR CERTIFIED COUNSELORS

Board staff has worked with the National Board for Certified Counselors (NBCC) and the Center for Credentialing & Education (CCE) to streamline the initial NCMHCE exam eligibility. CCE is the entity that accepts, reviews, and approves candidates for the NCMHCE. In the past, approved candidates had to provide an approval letter to CCE at the time of exam registration. Effective 12/6/22, the Board is uploading a weekly list of approvals to the NBCC portal. CCE staff will use this list for reviewing and approving the initial NCMHCE registrations. An approval from the Board is not required for a re-exam. CCE staff will use our current re-exam parameters to approve a candidate for the re-exam.

ASSOCIATION OF MARRIAGE AND FAMILY THERAPY REGULATORY BOARDS (AMFTRB) CLINICAL EXAM

Board staff have initiated discussions with executive management of AMFTRB and plan to provide additional information about the AMFTRB Clinical exam at the May 2023 Board meeting.

PEARSON VUE

The Pearson Vue contract has been extended through December 31, 2024.

EXAM STATISTICS

The Board website will be updated with the exam statistics through December 31, 2022.

Exam and licensing staff continues to review current school codes to verify the current schools used during the evaluation process. A timeframe for completion is unknown and it is a team effort to review and adjust current school codes in our Breeze database. Once completed, the Exam Results by School report used for the exam statistics will have a more accurate account of the schools with a pass and fail rate.
